Senator Hightower offered the following resolution:

S. C. R. No. 30—Providing for a Committee to be known as the Committee for Permanent Assignment of Space in the Capitol.

Whereas, Offices in the Capitol for the use of Members of the Texas Legislature and the staffs of legislative service agencies are at a premium, and allocations of space have been made largely on an emergency basis, as space became available; and

Whereas, It is important that space in the Capitol be utilized with the utmost efficiency; now, therefore, be it

Resolved by the Senate of the 61st Legislature, the House of Representatives concurring, That a committee be and it is hereby created to review present space allocations in the Capitol and to make permanent assignments of office space contingent upon the removal of the Treasury Depart-

ment and the department of the Comptroller of Public Accounts from the Capitol; and, be it further

Resolved, That the Committee for the Permanent Assignment of Space in the Capitol shall be composed of three members, to be appointed, one each, by the Governor, the Lieutenant Governor, and the Speaker of the House of Representatives; and any assignments made by unanimous agreement of such committee shall be binding upon the office of the Governor, the Senate, and the House of Representatives; and, be it further

Resolved, That actual and necessary expenses of the committee shall be paid from the Contingent Expenses Funds of the Senate and the House of Representatives.

The resolution was read and was referred to the Committee on Contingent Expenses.

Senate Concurrent Resolution 31

Senator Cole offered the following resolution:

S. C. R. No. 31—Requesting the Texas Legislative Council to conduct a study of programs for handicapped individuals.

Whereas, The greatest source of strength for Texas and the nation rests in the power of the individual to stand on his own feet, to solve his own problems, and to move himself and his country forward; and

Whereas, There is a segment of the population among which a large number have been unable to experience the satisfaction that comes from a job well done and from earning power that will enable them to live as normal, useful citizens, developing to the utmost their capabilities and aptitudes; and

Whereas, Providing adequate and effective services and assistance to these Texans who are handicapped is of major concern to the people involved and to the goal of a healthy, happy, and progressive society for Texas; and

Whereas, Many individuals, now considered unemployable could, with proper education and training, become productive and successful in vocations and professions that would fulfill their potential and provide opportunities for them equivalent to those enjoyed by citizens not suffering from disabilities; and

Whereas, In recent years Texas legislatures have shown increasing concern for Texans with various disabilities, and great progress has been made in improving programs for such groups as the blind and those suffering from hearing loss; but there is still much to be done for these citizens and the thousands of others who have received no assistance in overcoming physical or mental handicaps; now, therefore, be it

Resolved by the Senate of the State of Texas, the House of Representatives concurring, That the Texas Legislative Council be requested to make a comprehensive study of programs designated to assist, provide services for, and rehabilitate all segments of the handicapped in Texas, focusing attention on vocational problems of all disability groups, and including consideration of the number of these persons in the state; principal problems of the handicapped; the work of the State Department of Public Welfare, the Texas Education Agency, the State Department of Health, the State Commission for the Blind, the Coordinating Board, Texas College and University System, the Texas Department of Mental Health and Mental Retardation, the Governor's Committee on the Aging, the Texas Youth Council, the Texas Department of Corrections, and other agencies with direct or indirect concern for the handicapped; and current efforts in Texas and other states in rehabilitation, placement and employment programs for the physically or mentally handicapped; and, be it further

Resolved, That the Council receive assistance in this study from a 10-member Citizens Advisory Commission, to be appointed by the chairman of the Council and composed of the following: (a) two persons from industry, one representing a business employing 20 or fewer persons and one from a business employing 500 or more persons; (b) two representatives of organized labor; (c) two executives from private statewide or national organizations who are recognized for their work in the field of educating, training, or finding employment for the handicapped; (d) a representative of elementary and secondary education; (e) a representative of higher education; (f) a handicapped person who has had successful business experience; and (g) a distinguished citizen recognized for his concern for and contributions toward

rehabilitation of the handicapped; and, be it further

Resolved, That all state agencies providing services or assistance to the handicapped in Texas be instructed to provide such information as may be requested and to cooperate with the Council and the Citizens Advisory Commission in the conduct of the study; and, be it further

Resolved, That the Council report its findings and recommendations, together with drafts of such legislation as it may deem desirable, to the Regular Session of the 62nd Legislature.

The resolution was read and was referred to the Committee on Contingent Expenses.

Senate Concurrent Resolution 32

Senator Harrington offered the following resolution:

S. C. R. No. 32—Authorizing the appointment of a Faculty Compensation Committee to be composed of three Members of the House of Representatives to be appointed by the Speaker of the House and three Members of the Senate to be appointed by the Lieutenant Governor.

Whereas, The Committee on Faculty Compensation in state-supported colleges and universities, created by Senate Concurrent Resolution No. 26, 59th Legislature, Regular Session, in its report to the 60th Legislature entitled "Education: The Texas Fringe," recommended continuation of the work of the Committee in the area of college and university faculty fringe benefits; and

Whereas, In carrying out its assignment, namely, to examine the range and kinds of personal security payments and benefits which should be authorized for faculties of state colleges and universities, this joint interim legislative committee established excellent lines of communication between college and university faculty groups and the Legislature, permitting the free exchange of ideas of mutual interest; and

Whereas, The members and officers of Texas Association of College Teachers, and the members and officers of American Association of University Professors have expressed their desire that this committee be continued; and

Whereas, The Committee on Faculty Compensation, in its report to the 61st Legislature, did present specific

recommendations on certain topics it investigated, there remains a need for continued study of faculty fringe benefits in state colleges and universities, particularly in areas where, because of the lack of time and because of the complexities of the subjects under review, it was impossible for the Committee to give full attention to some; and

Whereas, Rapidly changing society, a growing population, and an expanding economy place increased demands on the state's educational institutions; and

Whereas, The ability of the state's educational institutions to meet increased demands depends largely upon their ability to recruit and hold effective faculty personnel; and

Whereas, While direct salary compensation rates for state college and university faculties presently in effect place Texas in a fairly competitive position, the state's fringe benefit provisions are relatively noncompetitive with other states and with industry; and

Whereas, This Committee has received not only statewide recognition, but national recognition because of interest expressed, not only by educators, but also by members of legislative bodies throughout the country; and

Whereas, Because of the work of the Committee on Faculty Compensation, the Legislature of the State of Texas has been described by one prominent educator as "opening the door to higher education in the South;" now, therefore, be it

Resolved, By the Senate of the State of Texas, the House of Representatives concurring, that the following be accomplished:

Section 1. The Committee on Faculty Compensation in state-supported colleges and universities is hereby created, consisting of six (6) members; three (3) of whom shall be members of the House of Representatives; all appointed by the Speaker of the House; and three (3) of whom shall be members of the Senate; all appointed by the Lieutenant Governor. The terms of all members shall commence with their appointment and shall terminate on the convening of the next Regular Session of the Legislature following adoption of this Resolution. Vacancies occurring from any cause after appointment may be filled by the respective appointing officers.

When the membership of the Committee is completed, the Senate member having the greatest seniority of service in the Senate shall call a meeting at which the members shall by majority vote elect a chairman, a vice-chairman, and a secretary. A vacancy in the chairmanship shall be filled by the advancement of the vice-chairman, and a new vice-chairman shall be elected by the Committee. A majority of the Committee's membership shall constitute a quorum to transact business.

Section 2. Members of the Committee shall receive no pay for their services on the Committee, but shall be reimbursed from the Contingent Fund of the respective houses of the Legislature for necessary expenses actually incurred in the discharge of their duties.

Section 3. The Committee shall examine the range and kinds of personal security payments and benefits which should be authorized for faculties of Texas state colleges and universities, seeking the advice of representative members of such faculties, and of other interested persons, and examining the experience and practices of public and private universities in Texas and other states, and examining the experiences and practices of industry and government, and report its findings and recommendations to the Regular Session of the 61st Texas Legislature.

The resolution was read and was referred to the Committee on Contingent Expenses.

Senate Concurrent Resolution 33

Senator Hightower offered the following resolution:

S. C. R. No. 33, Extending congratulations to International Order of De Molay on their Fiftieth Anniversary Celebration.

Whereas, The International Order of DeMolay is celebrating this year the 50th anniversary of its founding by Frank S. Land, in 1919; and

Whereas, Throughout the world hundreds of chapters of DeMolay are giving special recognition to the Golden Anniversary of the Order with appropriate ceremonies and activities; and

Whereas, Governor Preston Smith has proclaimed DeMolay Week in Texas as the week of March 15 to March 23, 1969, in tribute to the

principles of this distinguished Order, as well as its ancient parent masonic fraternity, whereby the young men who belong to DeMolay are dedicated to becoming better sons, better citizens, and better leaders in their goal to fulfil the responsibilities of American citizenship; now, therefore, be it

Resolved by the Senate of the State of Texas, the House of Representatives concurring, That the International Order of DeMolay be and it is hereby congratulated on its 50th Anniversary Celebration; and, be it further

Resolved, That the Texas Legislature request all citizens of Texas to join in celebrating DeMolay Week in appreciation for the outstanding contributions of public service and citizenship by members of the International Order of DeMolay.

The resolution was read.

On motion of Senator Hightower, and by unanimous consent, the resolution was considered immediately and was adopted.

The Presiding Officer laid before the Senate on its second reading and passage to engrossment:

S. B. No. 201, A bill to be entitled "An Act to provide that certain municipalities may secure motor vehicle liability insurance under the assigned risk plan; amending Section 33 as amended, and 35, Chapter 498, Acts of the 52nd Legislature, Regular Session, 1951 (Article 6701h, Vernon's Texas Civil Statutes); and declaring an emergency."

The bill was read second time.

Senator Mauzy offered the following amendment to the bill:

Amend Senate Bill 201 by deleting Section 2, Line 40 on Page 1 through

Line 17 on Page 2, and substituting in lieu thereof the following:

Sec. 2. Section 35, Chapter 498, Acts of the 52nd Legislature, Regular Session, 1951 (Article 6701h, Vernon's Texas Civil Statutes), is amended to read as follows:

"Section 35. Subject to the provisions of Article 5.10, Texas Insurance Code of 1951, as amended, insurance companies authorized to issue motor vehicle liability policies in this State may establish an administrative agency and make necessary reasonable rules in connection therewith, relative to the formation of a plan and procedure to provide a means by which insurance may be assigned to an authorized insurance company for a person required by this Act to show proof of financial responsibility for the future and who is in good faith entitled to motor vehicle liability insurance in this State but is unable to secure it through ordinary methods; or for any municipality within the State of Texas which, acting in good faith, is unable to secure motor vehicle liability insurance in this State through ordinary methods; and may establish a plan and procedure for the equitable apportionment among such authorized companies of applicants for such policies and for motor vehicle liability policies, including, but not limited to, voluntary agreements by insurance companies to accept such assignments. When any such plan has been approved by the State Board of Insurance, all insurance companies authorized to issue motor vehicle liability policies in the State of Texas shall subscribe thereto and participate therein.

"The State Board of Insurance, in addition to the provisions prescribed by Subchapter A, Chapter 5, Texas Insurance Code of 1951, as amended, may determine, fix, prescribe, promulgate, change, and amend rates or minimum premiums normally applicable to a risk so as to apply to any and every assignment such rates and minimum premiums as are commensurate with the greater hazard of the risk, considering in connection therewith the experience, physical or other conditions of such risk of the person or municipality applying for insurance under any such plan."

The amendment was read and was adopted.

On motion of Senator Mauzy, and by unanimous consent, the caption was amended to conform to the body of the bill as amended.

The bill as amended was passed to engrossment.
